

Energy Efficiency Program for Business

Save even more on refrigeration upgrades

Earn a 20% bonus rebate on your next refrigeration project

Upgrading to energy-efficient refrigeration is one of the easiest ways to save energy at your business. A simple retrofit to an electronically commutated (EC) motor reduces energy consumption by up to 33%, extends your equipment's lifespan and reduces maintenance needs.

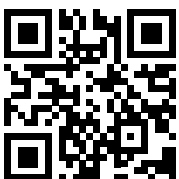

20% bonus rebate details:

- This offer can be combined with standard and other bonus rebates.
- Available on a first-come, first-served basis.
- Final application must be submitted by Nov. 30, 2026.
- All refrigeration projects are eligible. See back for complete list.

*Savings and rebates may vary. Bonus rebates are calculated at 20% of final base rebate.

Eligible refrigeration upgrades

The following refrigeration upgrades are eligible for a 20% refrigeration bonus rebate, in addition to their standard rebates.

ID	Upgrade name	Standard rebate*
CR1	Auto-closers for walk-in freezer and cooler (reservation required)	\$ 100.00
CR2	Strip curtain on walk-in cooler	\$ 5.25
CR3	Strip curtain on walk-in freezer	\$ 25.00
CR4	Vertical night covers (electric)	\$ 1.00
CR5	Door gaskets on coolers and freezers (reservation required)	\$ 6.00
CR6	Evaporator fan motor controls for walk-in coolers and freezers	\$ 20.00
CR7	Evaporator fan motor controls on PSC motors for walk-in coolers and freezers	\$ 50.00
CR8	Display case fan ECM (reservation required)	\$ 51.00
CR9	ECM for walk-in freezer and cooler (reservation required)	\$ 85.00
CR10	Freezer and cooler display anti-sweat heater controls (reservation required)	\$ 82.00
CR11	LED refrigerated case lighting (per door)	\$ 44.00
CR12	LED refrigerated case lighting (per foot)	\$ 10.00
CR13	Refrigerated savings due to lighting savings (-20°F - 0°F)	\$ 0.13
CR14	Refrigerated savings due to lighting savings (0°F - 20°F)	\$ 0.08
CR15	Refrigerated savings due to lighting savings (20°F - 40°F)	\$ 0.05
CR16	Occupancy sensors for LED refrigerator lighting	\$ 5.50
CR17	Permanent magnet synchronous motors (med temp walk-in, replacing SP)	\$ 25.00
CR18	Permanent magnet synchronous motors (low temp walk-in, replacing SP)	\$ 30.00
CR19	Permanent magnet synchronous motors (med temp walk-in, replacing PSC)	\$ 18.00
CR20	Permanent magnet synchronous motors (low temp walk-in, replacing PSC)	\$ 22.00
CR21	Permanent magnet synchronous motors (med temp case, replacing SP)	\$ 61.00
CR22	Permanent magnet synchronous motors (low temp case, replacing SP)	\$ 75.00
CR23	Permanent magnet synchronous motors (med temp case, replacing ECM)	\$ 1.50
CR24	Permanent magnet synchronous motors (low temp case, replacing ECM)	\$ 1.75
CR25	ENERGY STAR certified commercial glass door refrigerators less than 15ft ³	\$ 10.00
CR26	ENERGY STAR certified commercial glass door refrigerators 15 to 30 ft ³	\$ 20.00
CR27	ENERGY STAR certified commercial glass door refrigerators 30 to 50ft ³	\$ 32.00
CR28	ENERGY STAR certified commercial glass door refrigerators more than 50ft ³	\$ 36.00
CR29	ENERGY STAR certified commercial glass door freezers less than 15ft ³	\$ 25.00
CR30	ENERGY STAR certified commercial glass door freezers 15 to 30ft ³	\$ 41.00
CR31	ENERGY STAR certified commercial glass door freezers 30 to 50ft ³	\$ 63.00
CR32	ENERGY STAR certified commercial glass door freezers more than 50ft ³	\$ 92.00
CR33	Reach-in refrigerated display case door retrofit -33° - 50°F (medium temp.) (reservation required)	\$ 35.00
CR34	Reach-in refrigerated display case door retrofit 0° - 32°F (low temp.) (reservation required)	\$ 88.00
CR35	Evaporator controls with demand defrost for walk-in coolers	\$ 3.00
CR36	Evaporator controls with demand defrost for walk-in freezers	\$ 26.00
CR37	Walk-in cooler evaporator motor reduction (reservation required)	\$ 90.00
GM4	Vertical night covers (gas)	\$ 0.70
GM5	Reach-in refrigerated display case door retrofit - 33° - 50°F (medium temp.)	\$ 22.00
GM6	Reach-in refrigerated display case door retrofit - 0° - 32°F (low temp.)	\$ 27.00

*Numbers represent the standard rebate amount before the 20% bonus.
