

Top-class energy savings for schools

We know you're always looking for ways to dedicate more of your budget to the classroom and less to overhead costs. That's why we're offering a **limited-time 15% bonus rebate until Sept. 30, 2026**, when you make qualifying energy efficiency upgrades for your school!

How can a DTE rebate help my school save?

Tune-ups and upgrades to energy-efficient equipment like lighting or HVAC equipment can help lower your energy bills long-term. Think of a rebate like a discount that helps make your projects more affordable. This school-exclusive bonus rebate can be combined with other DTE rebates.

How do I get the 15% bonus rebate?

Just give us a call and tell us about your project. We'll handle the legwork while you focus on what matters: **educating your students.**
